Selectmen's Meeting

WORDEN TO SERVE ON OLD COLONY BOARD

Vincent Worden was reelected to serve on the Old Colony School Committee until May 1, 1983. There were two applications for the position. The other applicant, Peter Coville, requested his name be withdrawn after his election to the Mattapoisett School Committee. The vote, by the Board of Selectmen, the Mattapoisett School Committee, and Moderator James Huntoon, was unanimous.

YOUTH COMMITTEE KICKS OFF SEASON

John Haley and Joseph Frates asked the Board of Selectmen to participate in the opening of the Little League season which started with a parade on May 4th. The parade route was set for the parking lot at Gaetano's to the field at Old Hammondtown School where the flag raising ceremony was followed by the Selectmen throwing out the first ball as the Astros faced the Cardinals.

reported to the Board of Selectmen that Art Westgart of Plymouth Mosquito Control had suggested that a change be made this year from the Flit MLO to Abate which is 1% granular. The two products are environmentally equal but the granular product is superior in wet weather because it bounces off the trees and shrubs to the ground where the mosquitos breed. When wet the trees and shrubs hold the Flit MLO and prevent penetration to the ground as happened last year when the spray proved not very effective. The area to be treated is 600 acres of swamp by helicopter application. Selectmen approved the suggested change. The spraying will be done about the second week of May.

ELDERLY AFFAIRS SUPPORTED

Selectmen agreed to support the request of Mayor John Markey of New Bedford to file application with the State Department of Elderly Affairs to ask designation as area agency for senior affairs.

ALBANESE CONTRACT RISE

Albanese Bros. Inc. informed Selectmen of an increase in asphalt prices that will effect a rise in the contract amount for sewer tie-in work done in town.

ASKS REMOVAL OF TOWN PROPERTY

Mrs. Frank Sylvia asked Selectmen to have removed a garage on Mendell Road, across from the town barn, which is on property owned by the Sylvias. The small garage had been left on the site temporarily under a gentleman's agreement between Highway Surveyor Manuel Nunes and Frank Sylvia. The Selectmen assured Mrs. Sylvia they would conform to her wish. She also asked that a basketball backboard on wheels be removed from Sylvia land on Upland Way (part of the structure is on town land). The Selectmen agreed to act on the request.

ASSISTANT DOG OFFICER

Dog Officer James Sullivan asked Selectmen to approve Robert Randall as a second assistant Dog Officer which was voted.

APPLICATIONS RECEIVED

Gaye D'Agata submitted an application for a Personnel Board vacancy. Kathryn Whitney submitted an application for lifeguard at the town beach.

Both applications were filed.

Council on Aging

MATTAPOISETT

We are happy to announce that we have arranged a trip for Seniors at the Mattapoisett Nursing Home for Thursday, May 8th, and hope that the weather is favorable. We have no trip planned for our regular passengers, as this is a day that Mattapoisett Seniors meet.

We add a word or two about two of our trips this month. The Sturbridge Village trip, leaving at 8:30 a.m., Thursday, May 15, will take us to a New England counterpart of Williamsburg, with a restored village of the 18th and 19th centuries having shops and artisans operating as they did at that time, and using the tools and equipment of that period. You may just admire or buy, and there is plenty to see and admire. If you have never been there, don't miss it.

On Thursday, May 29, our schedule calls for a trip to Arnold Arboretum, and we hope

'Standing Tall' For New Forest

"Flying" his bucket 30 feet above ground, this cone picker works a Georgia-Pacific Corp. forest seed orchard near Bastrop, La., for supertree reforestation. At 14,500 seeds to the pound, 310 pounds are needed for 4.5 million Southern pine superseedlings annually at this one location. It is part of a nationwide program. Seed orchard trees are created by grafting supertree scions to root stock at central locations for easy seed cone picking each season.

LOOKING GLASS THEATRE PRESENTS METRICKS! AT LOCAL SCHOOLS

Looking Glass Theatre will present METRICKS! at Mattapoisett Center School at 1:00 p.m. and Old Hammondtown School at 9:00 a.m. on May 23rd. METRICKS! is an adventurous look into the world of the metric system. The program involves a pre-performance preparation in the classroom, where the actors work with the children discussing basic concepts of the metric system and the style of the performance.

Then, the children sit in a circle around the performing area, where the play commences and the children "meet the meter", weigh objects in the "gram canyon" and "follow-the-liter".

METRICKS! succeeds in dispelling the notion that the metric system is difficult to comprehend by utilizing basic vocabulary, some primary metric concepts, and the excitement of participation theatre.

This lively production has been selected for presentation at the National Showcase of Performing Arts for Young People, and

Plant Sale!

If your bumper sticker says - "I'd rather be gardening" - you'll not want to miss the Marion Art Center's Plant & Pot Sale Saturday, May 19, from 10 a.m. to 1 p.m. A variety of plants will be offered for sale, including annuals, perennials, ground covers, vegetables, herbs, shrubs and house plants. Many area greenhouses and nurseries have donated first quality plants for this sale. But you'll also find boxes of forget-me-nots and pachysandra fresh from local gardens, strawberries and raspberry bushes, many unusual herbs and robust perennials such as iris, chrysanthemums and day lilies - all shared by members and friends of the Marion Art Center.

Raffle tickets will be on sale, too - you could be the winner of a beautiful plant to be donated by the Great Hill Greenhouse.

Pottery suitable for planting will be featured in a show in the Cecil Clark Davis Gallery by potters Dorcas Adkins, Jay Blackburn and Leslie Powell.

If you wish to donate plants or volunteer your help on Friday or Saturday, May 18, 19, please call Doris Hepburn, Nancy Wickenden or the MAC office, 748-1266.

Children's Museum

SATURDAY PROGRAM - MAY 10th

The Children's Museum is featuring a special program for Saturday, May 10th. Firemen from Yarmouth, Massachusetts will bring "Freddy" the Fire Engine to tell the story of Fire Prevention. Fire Prevention is essential for us all to learn, no matter how young, and members of the Yarmouth Fire Department have devised an exciting demonstration for children to become familiar with what really happens when there is a fire. A big scale model of a house, fire station and engine will play their parts in telling the story. Children of all ages are invited to come to the Museum Outdoors at 2:00 p.m. May 10th for this very special program. A real Dartmouth Fire Department Engine will also be on hand. In case of rain, please call the Museum at 993-3361. A special donation is asked.

FIELD WALK - MAY 10th

Every season of the year stages its own drama of life in the wild. Animals, following natural instinct, play their parts according to the time of year. The Children's Museum will hold its Spring "Nite Hike" on Saturday evening, May 10th, and will venture out at dusk to discover the Natural World as it prepares for night time. All ages are welcome to come to the Museum Outdoors for 7:00 p.m. The Walk is FREE.

BOYS' TENNIS - The boys didn't get off to a good start during vacation week as they lost to Falmouth 0-5. Coach Hohne commented, "It was the worst game we played all season."

On the 25th of April the boys played Bourne whom they beat 5-0. In singles it was Gardner, Marvin and Lorenz. In doubles it was Bridge and Bridge and also the team of Antony and Douglass.

OR didn't change a thing as they beat Apponquet 5-0. The undefeated Gardner again won as well as Marvin and Lorenz. In doubles it was the team of Russell and Bridge, and Douglass and Panek.

The boys now face a crucial period as they must win 2 out of 3 games next week. Their present record is 5-4.

GIRLS' TENNIS

During their first game of vacation they beat Wareham 5-0. In singles it was Clancy, MacDonald and Normand. In doubles, it was Coelho and Pam Makrys and also Hopkins and Brown.

OR than traveled to Falmouth only to lose 1-4. Moira Clancy was the only winner. Coach Johnson commented, "We were victimized by the schedule." They had 4 games over vacation and both Tichon girls were away."

OR then lost to Dartmouth 2-3. Clancy gained a point in singles and the pair of Hopkins and Brown won in doubles.

The girls next beat Bourne 5-0. In singles MacDonald, Clancy and Normand, and doubles Hopkins and Makrys and Coelho and Arnie.

SOFTBALL - The ORR softball team improved its record to 7-3 over April vacation and this past week.

During vacation the girls held the first annual invitational tournament. ORR defeated Nauset Regional and Durfee High to walk away with the first place trophy.

In the opener ORR faced Nauset with ace pitcher Lorie Carr. Two hits by Nikki Hamer, a 3-run 4th inning, and a 3-run 5th inning helped boost the team to an 8-3 victory. Also in the contest Darcy Pina walked 4 times and scored 3 runs.

In the final games versus Durfee the following day ace pitcher Dorren Grenier pitched fine ball to give the girls a 7-4 victory.

The members of the OR squad chosen for the all-tourney team were Lorie Carr and Doreen Grenier, pitchers; Darcy Pina, catcher, and Margaret Worden, shortstop.

Against New Bedford this past week the girls walked away with a 4-2 victory. Mary Crowe hit a 2-run homer to win but Darcy Pina and Chris Hubbard had two hits apiece.

The girls lost to a slugging Falmouth team on Thursday. Tracy McGrath had a triple in that contest. The girls' record is 7-3 and must win 16 more games to go to the state's.

BOYS' TRACK

Ashumet Plant Sale

The Massachusetts Audubon Society's Ashumet Holly Reservation in East Falmouth will hold its Annual Spring Open House and Plant Sale on May 17 and 18 from 10 a.m. to 4 p.m. Activities will include bird and nature walks at 8:30 a.m. and 1 p.m.

The highlight of the event will be the many trees and shrubs such as rhododendrons and dogwoods which will be in full bloom. Holly, rhododendron and other trees, annuals and perennials will be available as well as gift items and refreshments.

Ashumet Holly Reservation was originated by Wilfred Wheeler, former Commissioner of Agriculture for Massachusetts. He was interested in extending the northern growing range of holly. He was so successful that the cuttings from some of the parent trees have been propagated throughout the country.

The Open House and Plant Sale is sponsored by the Friends of Ashumet and admission is free. Proceeds will be used to help maintain the sanctuary. Ashumet Holly is located on Route 151 and Currier Road in East Falmouth and is open all year.

Tobey Hospital

EARLY BEGINNINGS

Life begins at forty. In Wareham, the year 1940 gave birth to Tobey Hospital, a hospital that had been eagerly awaited since 1922 when the will of Mrs. Alice Tobey Jones became known.

On August 19, 1938, after the death of Mrs. Jones' husband, seven public spirited citizens formed a corporation in the state of Massachusetts to "establish, conduct, and maintain a hospital at the Tobey Homestead in Wareham, to receive and administer consistently with the desires of the late

Alice Tobey Jones the generous gift for that purpose made in her last will..."

Dr. Samuel Goldfarb was among those who for years awaited the opening of Tobey Hospital. A practicing physician in Onset, he routinely admitted his seriously ill patients to St. Luke's and his maternity cases to the now defunct Acushnet Hospital. More often than not, he interrupted office hours to pick up an ill person, put him in his own car, and make the long drive to New Bedford. And so, today he can remember that the area physicians and the first trustees approached the court to ask for money to establish a 40 bed hospital in Wareham. (The will of Mrs. Jones intended to use the Tobey Homestead for the hospital.) After considering all the arguments, the judge allowed $250,000 from the Tobey will to go toward the construction of a new facility, located on Tobey property but separate from the Homestead.

Although he was practicing medicine in New York at the time, Dr. James R. Lincoln was aware of the plans for a new hospital. The Lincoln family's roots in Wareham kept him apprised of developments throughout the 1920's and 1930's. Dr. Lincoln credits Dr. Stillman, and before him Dr. Morse, for being a driving force in the formation of Tobey Hospital. Dr. Stillman, according to Dr. Lincoln, came to Wareham in 1922 and worked to establish a hospital for the townspeople he loved so well. Dr. Raymond Baxter of Marion concurs. "Ray Stillman gave his whole life to this hospital and his patients. He was our first chief of staff."

On June 1, 1940 Tobey Hospital admitted its first patient. No one quite remembers this patient, but all agree that business was "quite brisk" even in the earliest days. Dr. Goldfarb took part in the very first operation at Tobey. He gave the anesthesia, using

the open drop ether method, while Dr. Milton MacDonald performed an emergency operation for an ectopic pregnancy. The operation was a definite success and the physicians and patient talked about it for years afterward.

The operating suite was located on the third floor (it still is today), and the delivery room was there also! In 1940, the attending physician often gave the patient a spinal for anesthesia, delivered the newborn, continued caring for the mother, and became the infant's physician as well. The doctors "did about everything in those days", the emeritus staff recall with nostalgia.

Many townspeople also remember the early days of Tobey Hospital. An open house on May 25, 1940 attracted many people from all over. The red brick Georgian building was a model in its time; the equipment was heralded as the most advanced in the area. Nothing had been spared for the patients' well-being and comfort. The community responded by taking its own hospital to its heart, for hadn't Mrs. Jones given it to the people? An oft-told story mentions the

free bed, but how the occupants were decided upon is lost to the history of the hospital.

Not only the "free" bed but all beds quickly filled up at the new hospital. The occupancy rate hovered near the 100% mark throughout the following two decades. People from all the surrounding towns were drawn to Tobey Hospital. Dr. Baxter, a practicing pediatrician and general practitioner, transferred his entire practice from St. Luke's to Tobey. And patients as well as physicians breathed a sigh of relief now that the long drive to a hospital 15 miles away was over. The dream of a hospital in Wareham, shared for so long by so many, had become a reality.

This is the first of several releases on Tobey Hospital's early years furnished to us by Tobey in anticipation of the celebration of its 40th anniversary on June 1, 1980.
